Residence hall and USAC apartment residents are billed by the Accounts Receivable Office for long distance calls. (One resident in each USAC apartment is billed for basic service.) Telecommunications call detail statements are mailed monthly to avoid losing service and incurring reconnection charges. The reconnection charge (non-refundable) is \$10.

Iowa State Network (ISN) Modem Pool Instructions

Data Calls from Off-Campus Modems to the ISN Network via Inbound Modems

Several inbound modems are connected to the ISN, enabling off-campus callers to access the network, via modem, by dialing one of the following phone numbers:

294-0300 (300 baud)
294-1200 (1200 baud)
294-2400 (2400 baud)

When "CONNECT" appears on your screen:

1. Press <RETURN> several times until you see "DIAL:" prompt.
2. Enter address you want to call (e., CCVAX, EVAX, WYLBUR).
3. Press <RETURN>.
4. Log in as usual.

When you finish your session, follow appropriate logoff procedures. If "DISCONNECT" does not appear on your screen, enter your disconnect sequence (usually <BREAK><BREAK>). You should then see the "DISCONNECT", indicating that you are logged off from the ISN. To reconnect to the ISN, repeat the above process.

Data Calls from the ISN Network to Off-Campus Modems via Outbound Modems

Using the ISN outbound modem pool, callers may also connect to off-campus systems reachable by modem. ISN outbound modems are Hayes-compatible and support 300-, 1200-, and 2400-baud connections, with speed setting controlled automatically. Additional features such as auto-reliable mode and data compression are activated automatically if the answering modem supports them.

To use the outbound modems:

At the "DIAL:" prompt:

1. Type **MODEM** and press **<RETURN>**.
When the ISN replies with "ANSWERED", your terminal is connected to an outbound modem.
2. Type **ATZ** and press **<RETURN>** to reset the modem to its default settings. When "OK" appears on your screen, you are ready to call out from the network.

To place on-campus calls:

Type **ATDT + 4XXXX** and press **<RETURN>**.

To place off-campus local calls:

Type **ATDT + 9 + seven-digit number** and press **<RETURN>**.

(The 9 prefix is needed to dial off-campus just as in a voice call.)

When placing long distance calls, you must use an authorization code; you will be charged regular long distance toll rates. (For information on how to obtain an authorization code, call the Telecommunications Office at 294-8585.)

To place long distance calls:

Type:

1. **ATDT**
2. 9
3. 1
4. area code (if other than 515)
5. seven-digit number
6. **W**
7. authorization code
8. Press **<RETURN>**.

Note the "W"; it tells the modem to wait for the dial tone before dialing your authorization code.

When the modem connects to the remote system, "CONNECT (speed) (mode)" is displayed, where (speed) indicates the baud rate, and (mode) indicates special features such as **RELIABLE** or **COMPRESSED**. Press **<RETURN>** a few times to get a login prompt; then log in as usual. When you finish your session, follow appropriate logoff procedures; then hang up from the modem by entering your disconnect sequence.

For more information on how to log in to ISU computer systems connected to the ISN, please refer to the Computation Center's Users' Reference Memo URM039, available at 197 Durham Center.

Country and City Codes

How to use this chart:

The bold number following the country name is the "Country Code."

Bold numbers beside cities are "City Codes."

The number to the left of the country name is the approximate time difference (TD) from Central Standard Time.

Military bases cannot be dialed directly.

*City codes not required.

**All codes in the Paris area are 1 + 8 digits. The first of the 8 digits will begin with 3, 4, or 6.

THEFT

ARE YOU COVERED?

THEFT! FIRE!

What would you do if all your personal possessions – computers, stereo, T.V., calculator, typewriter, clothing, books, camera, etc. were stolen or destroyed by fire? It has happened to many college and university students, and it could happen to you.

It makes sense for you to take stock of what you've got and prepare to prevent its loss.

STUDENT PERSONAL PROPERTY PLAN®

National Student Services, Inc. has designed a full service, low cost program to specifically protect the personal property of students living in Residence Halls, Fraternity or Sorority Houses or off-campus apartments. National Student Services, Inc. has been providing thousands of students across the country property insurance programs since 1971.

LOSSES COVERED

We will cover all loss or damage occurring during the policy period, to personal property which you own. We will also cover personal property you have leased for a period of at least 90 days. This coverage applies only to property located within your residence. Limited coverage applies to property elsewhere. There is no coverage for: mechanical or electrical breakdown, intentional or dishonest acts, earthquake, flood, nuclear contamination, or governmental seizure. *If you live in an apartment complex or a dormitory, residence is defined as "within your rooms."

FIRST FOLD

COVERAGE

The basic Student Personal Property Plan® supplies \$2,000 of coverage for a twelve month period. Additional coverage may be purchased in units of \$500 at a cost of \$8 per unit up to \$10,000 maximum coverage. You have your choice of a \$25, \$50, \$100 deductible. The deductible is simply the amount of loss you agree to absorb per claim. The cost of your insurance will depend on the amount of coverage you purchase and the deductible you select. The annual cost of your policy will decrease if you choose a higher deductible. The following table shows the cost of the policy with various deductible options:

ANNUAL COST	AMOUNT OF POLICY	\$25	\$50	\$100	AMOUNT OF POLICY	\$25	\$50	\$100	AMOUNT OF POLICY	\$25	\$50	\$100
		Deductible	Deductible	Deductible		Deductible	Deductible	Deductible		Deductible	Deductible	Deductible

RYDER

Leaving school has never
been so easy.

It's not surprising that so many students move with Ryder. We've got sturdy, dependable trucks in all sizes. Many are automatics, with power steering, air conditioning, and FM on top of the AM. Plus, Ryder can help out with boxes, hand trucks, even moving tips. And we're easy on the wallet, too.
